What should STLL develop?

- Adobe connect for students: 0
- PDF annotation for students: 0
- Student folder tool: 0

Results are hidden Show results
#1: ADOBE CONNECT FOR STUDENTS

Easy creation of video conferences – for a class or group
Use of Adobe Connects collaboration capabilities (file share, recording, common digital whiteboard etc) – and the recording of the discussion is available automatically in Blackboard
#2: PDF ANNOTATION FOR STUDENTS

Critique research articles in groups before teaching – and another group comment on the comments

Comment on other students’ hand-ins

The class creates links to related research

The students can prepare digitally – and take notes on slides
#3: STUDENT FOLDER TOOL

Students can share documents with the rest of the class
