

BLACKBOARD TIP OF THE WEEK

New way of contacting the general Blackboard Support

The general Blackboard Support has merged with other support units at AU and has become the *Study Systems Support*.

This means that you cannot email the Blackboard support as you normally do. Instead, you will need to fill in your questions in a contact form. Find the contact form at www.au.dk/sts (Danish) or use this [link](#). (English)

The Study System Support has a new phone number: 87 15 07 77.

Opening hours: Monday to Thursday: 9 a.m. to 3 p.m. and Friday: 9 a.m. to 2 p.m.

On the website, you can also find a variety of instructions on how to use Blackboard.

Very soon, you will also find a support tab when logged in to Blackboard.

The pedagogical support is still situated at ST Learning Lab, and do not hesitate to contact us.

Happy Blackboarding and have a nice weekend.

Kind regards,
ST Learning Lab
